RUNNER 2
GPS WATCHES

Run to the rhythm of over 500 songs and the beat of your heart on your wrist.

HOW TO SELL IN 30 SECONDS

Do you run with music? Do you find your phone uncomfortable when you run? The RUNNER 2 CARDIO + MUSIC GPS WATCH comes with an integrated music player, enabling you to listen to your favourite playlists straight from your watch. With 3GB of music storage, you can easily download over 500 songs* onto the watch from iTunes or Windows Media® Player. The RUNNER 2 CARDIO + MUSIC GPS WATCH streams music to a wide range of Bluetooth® headphones, and comes preloaded with Running Trax, a bespoke thirty minute mix of motivating, high energy, upbeat dance anthems from some of the world’s best DJs, curated by Ministry of Sound.

The RUNNER 2 CARDIO + MUSIC GPS WATCH also comes with:

- A built-in heart rate monitor so you can measure your heart rate from your wrist and say good-bye to sweaty chest bands and chaffing around your chest
- GPS tracking provides real-time running information so you can track your speed, pace, distance, time and calories burnt on the go
- MultiSport mode allows you to track multiple sports including running, cycling, gym and indoor training
- And 24/7 tracking ensures your workout continues after you’ve finished your training by measuring your steps, distance, active minutes and calories burnt

WHO TO SELL TO

The new RUNNER 2 CARDIO + MUSIC GPS WATCH is designed for the Challenger Runner. Challenger Runners are serious runners to train 2-4 times per week and are always looking to improve their performance.
