As a VFW member, you deserve the utmost respect and recognition for your service to your country. Yet you may be surprised to know that government burial benefits for veterans are very limited - generally no more than \$300, if anything at all!²

This is why the VFW is sponsoring member seminars to provide important information about your VA burial benefits so you can make more informed decisions for you and your family. When you join us at this informative meeting, you'll learn more about what the VA does - and doesn't - provide, including:

- What government documentation you will need.
- How to obtain a ceremonial United States flag.
- How to receive military funeral honors.
- How to request a Presidential Memorial Certificate.
- Which monetary benefits you may be entitled to.
