National Doctors' Day is March 30, 2016. Please honor your caregiver today.

I would like my gift to honor the

compassionate caregivers at UCSF. Please tell us about your positive experience: Sincerely, Return your completed greeting card with your contribution. Thank you.

Dear Sample A. Sample,

Every day, people make important health care decisions and place their well-being in the hands of caregivers. We are honored that you chose to entrust UCSF with your health. It is my hope that you witnessed firsthand the dedication of our staff and our commitment to providing the best care and outcome for every patient.

On March 30, Americans celebrate National Doctors' Day and honor the inspiring individuals who dedicate themselves to providing our health care. In tribute to a UCSF caregiver, please consider making a gift of [\$25, \$50, \$100] or more today. Please use the enclosed greeting card to show your support, and return to us using the envelope provided.

Your gift to UCSF directly impacts our mission-critical work. Support like yours provides our scientists with immediate funds to search for lifesaving cures. Private support allows our clinicians to provide innovative treatments, using advanced technology and pioneering research, when caring for our patients. And your philanthropy fuels the training of future health care professionals and educators, ensuring we are ready to meet the challenges ahead.

Together we are making a powerful difference in people's lives, here and worldwide.

John B. Ford

University Development and Alumni Relations University of California, San Francisco

PS: Celebrate National Doctors' Day with UCSF by making a special gift and sharing a note about your experience. You can return the enclosed card or give online at

Use The Enclosed Greeting Card To Honor A UCSF Caregiver.	

UCSF is a diverse community, made up of people with many skills and talents. But throughout all that we do, there is a common bond: a core belief that our work makes a difference and that together, we can - and will - improve the health of people here and around the world.

We work passionately to advance knowledge, yielding scientific breakthroughs that benefit life and health worldwide. We innovate health education across disciplines to develop collaborative and creative leaders.

Your generosity helps us provide needed clinical services, train the next generation of health professionals, and make a lasting positive impact.

Tell us about a special UCSF caregiver and make a tax-deductible donation today to help us celebrate National Doctors' Day on March 30.

Special Gift For **UCSF** Supporters

Here's a small token of our gratitude and appreciation. This official UCSF logo can be removed and proudly displayed on the window of your vehicle or on any window.

Thank You Again For Your Generosity!
