WHY OPEN AN IDFC BANK SALARY ACCOUNT?

- We are paperless. We will never make you sign a form unless absolutely necessary or ask you for information we already have.
- Choose all PINs & passwords yourself from the get-go and set them up digitally. We won't saddle you with a starter PIN.
- Transfer funds quickly, easily and free of charge. We believe there's no reason to charge you to transfer your own money.
- We'll send you free alerts for every single transaction you make. We believe you should always know when your money moves.
- Call us anytime and talk to a banker who will help you with whatever you need. We don't believe in IVRs or recorded messages.
