

THE SIMPLE WILL.

It's quick, low-cost and ... simple.

For under \$500, organize your family assets with a Will that incorporates the important legal aspects of your estate. You only have to do it one time and the process is quite simple. First, we'll get to know you, ask you some important questions, then we do the rest.

PROTECT YOUR ESTATE

Seventy percent of all families function without any type of Will and the financial burden can be staggering. Many people assume that the surviving spouse will receive all assets but without a Will, this is not often the case.

Preparing a Will can protect your estate from expensive and time-consuming probate issues. Take the time now to support your family and help them avoid unpleasant family conflicts or legal battles.

WE'RE YOUR LOCAL RESOURCE
