

THEY SAID IT  
WAS GOING  
TO BE EASY.

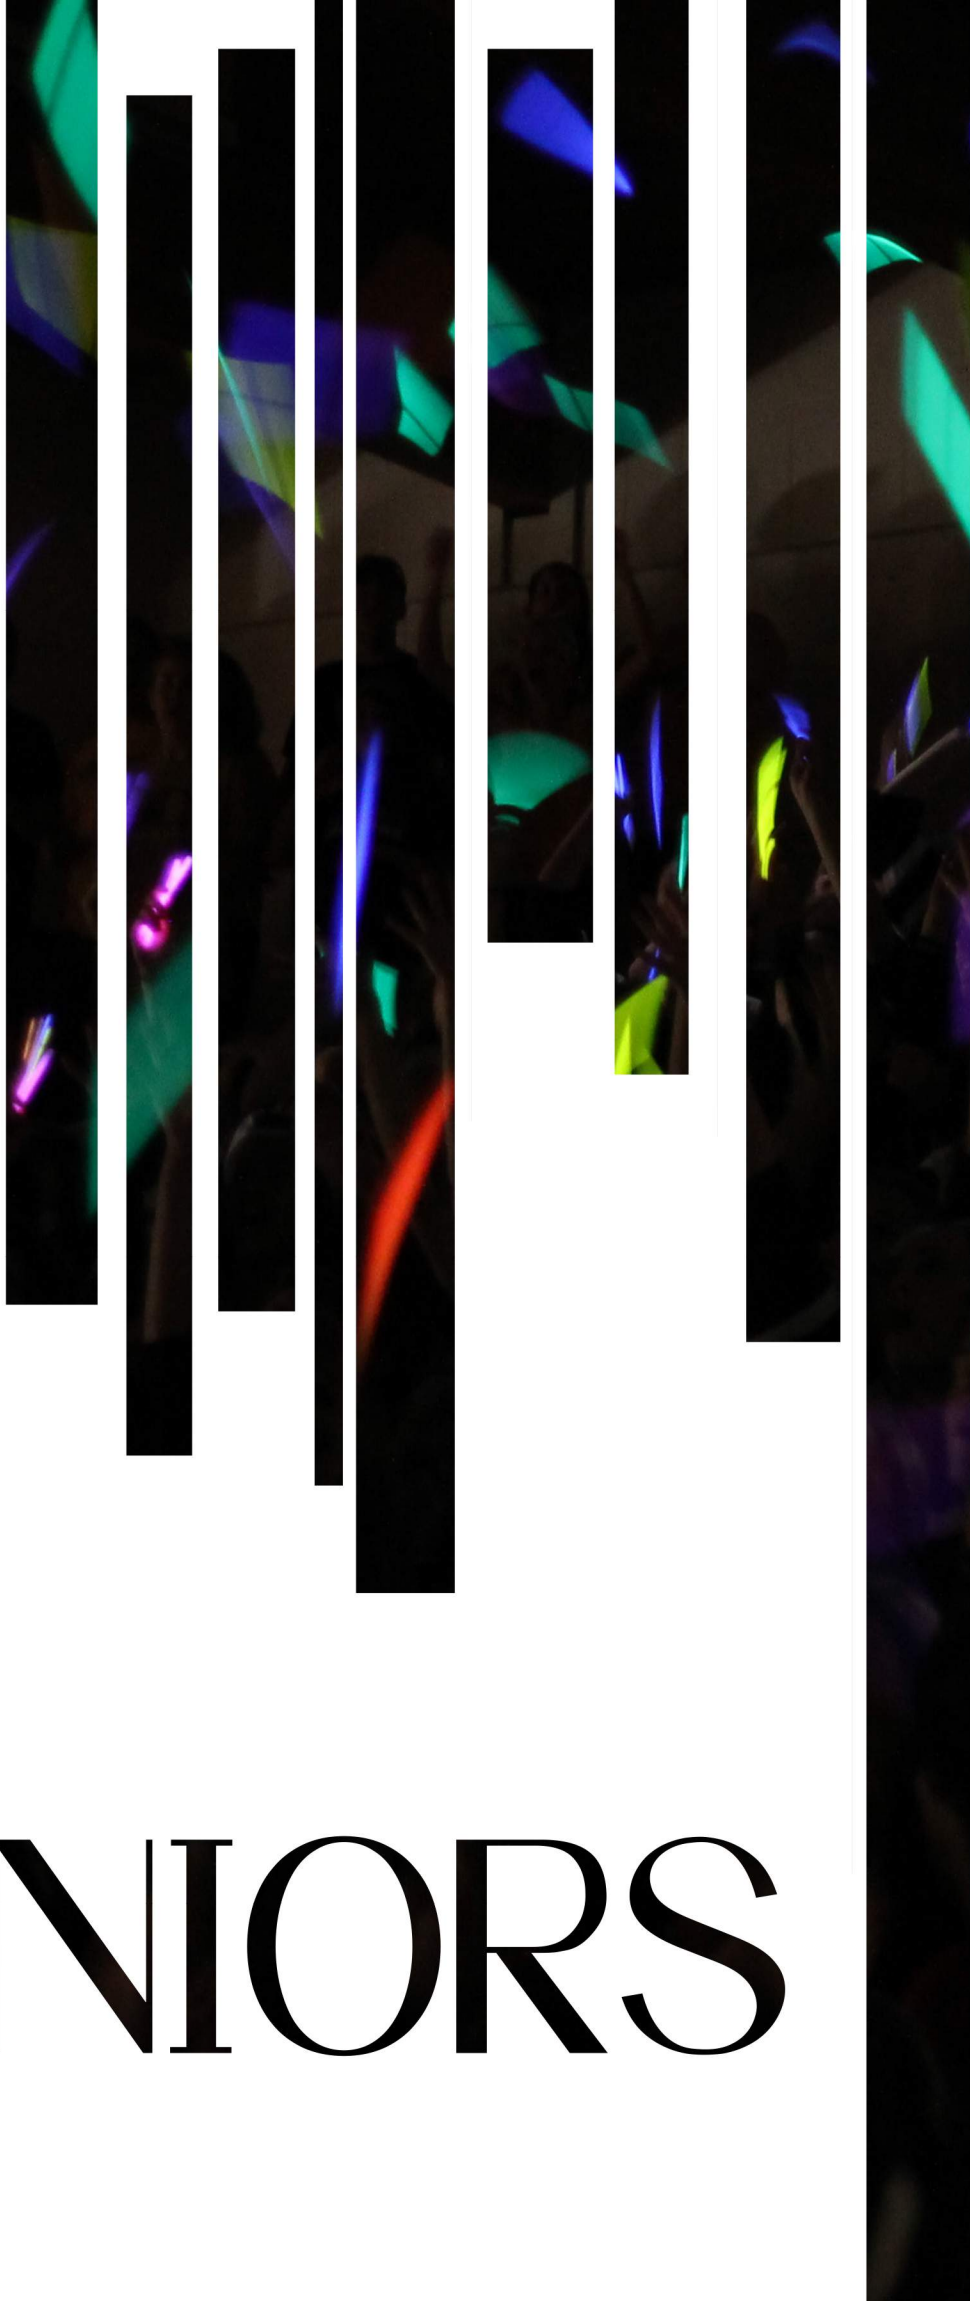

but this is the hardest year I've had in high school. I **procrastinated** getting my college essays in because they had to be perfect. Do I send my ACT or SAT scores? My brother's a **genius**, high honors, and got a scholarship to Colorado School of Mines. Will I even get into my second choice school? Am I **eligible** for any scholarships?

Tomorrow Moritz is going to challenge us on the reading. "What page are you **really** on?" I'm only on page 20 when I should be on 128.

**BUT  
MY CAP &  
GOWN FIT  
PERFECTLY.**

And I got into my dream school. It's not Ivy League but it's **perfect** for me. I sent my ACT composite score 24. I'll take the small scholarship they offered me. I told Moritz page 104 when she asked because the boys basketball playoff game at Rock Canyon was more **important** and I don't regret going instead.

# SENIORS

1 AT THE HOMEcoming ASSEMBLY ON OCT. 9, the senior section uses glowsticks to display "16." Senior REBECCA "BECCA" GARNER, 12, said, "The glowsticks were a cool idea and I thought it was better than what previous classes have done." The seniors won different competitions among the classes including the tug-of-war contest against the juniors. Photo by A. Swomley.
