

i am the life of the party.

Set the tone of your party with the iP76 color changing tower from iHome Glow Tunes. With five different color modes to choose from, you can rock to the beat and color of your favorite tunes with a touch of a button. Whether you're wirelessly streaming your music via Bluetooth, or docking and charging your iPhone or iPod, the iP76's Reson8® speakers will carry your party well into the night.
