

LEUKEMIA &  
LYMPHOMA  
SOCIETY®  
fighting blood cancers

**someday  
is today®**

**We have one goal: A world without blood cancers.**

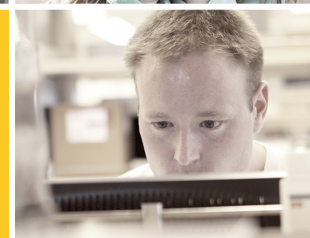

**Our Career  
Development  
Program** helps  
support the next  
generation of blood  
cancer researchers.

Last year, Information  
Resource Center (IRC)  
specialists fielded more than  
**62,000  
INQUIRIES.**

Last year alone,  
**LLS INVESTED NEARLY  
\$79.8 MILLION**  
in cutting-edge research.

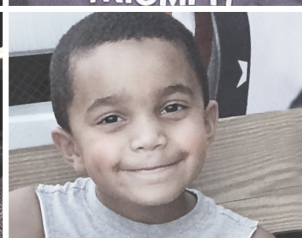

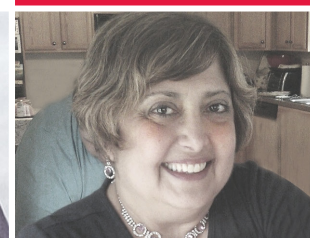

Last year, IRC  
performed more than  
**6,000  
CLINICAL TRIAL**  
searches using the IRC's  
TrialCheck tool.

**LLS HAS HELPED  
ADVANCE LAWS IN**

to ensure coverage  
and payment parity for  
cancer medications,  
regardless of how or  
where administered.

**FOR MORE THAN  
65  
YEARS.**

LLS has invested  
more than \$1 billion  
to advance cancer  
therapies and  
save lives.

LLS is currently funding  
**MORE  
THAN 300**  
academic research  
grants around the world.

# #LLSPROOF

During September, The Leukemia & Lymphoma Society is  
sharing proof of impact. With your help, we fund research,  
patient support and advocacy that is saving lives.

**Be part of that proof. Let's raise \$400,000 this month.**
