

# THERAPEUTIC SADDLE PAD

*Fitted*

Circulation & Pain Relief

Increased Oxygen Flow

Decreased Inflammation

Moisture Wicking

Machine Washable

Preventing and treating pain and inflammation are paramount for the long-term health of equine athletes. Arenus, the leader in equine health supplements, is happy to offer two revolutionary companion products to keep your equine athlete healthy and happy. BeneFab by Sore No-More utilizes ceramic therapy to increase circulation, relieve muscle discomfort, and alleviate joint stress. Sore No-More relieves pain and inflammation, relaxes muscles, and increases blood flow.

RIDING VDL TORLANDO

# BENE Fab<sup>®</sup> by SORE NO-MORE<sup>®</sup>

Together, Sore No-More and BeneFab by Sore No-More create a dual-action, research backed system that works synergistically, so your horse can recover quickly.

Rub Sore No-More Gelotion or spray Sore No-More Liniment on horse's back, underneath pad, before and after work for best results.
