

"Today I toured 22 homes
in 7 neighborhoods, 4 states, and 6 countries.
All on my lunch hour."

Decker Bullock Sotheby's International Realty believes that when it comes to comparing prospective properties, there is nothing more convenient and compelling than video.

That's why we have more Marin property videos enjoying more views from people in the market than all of our competitors combined.

Short of an actual guided tour, nothing provides as immersive and immediate an experience as our professional videos.

Over 100,000
views
on YouTube
so far this year.

From the comfort of your own home, as a prospective buyer, you can view comparable properties in a few minutes. The videos can be accessed on your tablet, smartphone, computer, or even your TV, so they are always within reach.

Please visit our website to find an entire world of homes, in video, at your fingertips. When it comes to looking for your next home, there's no better place to start than youtube.com/deckerbullockhomes
