"The school brings happiness to our child and to us as well. The teachers and other staff are very co-operative. They have really handled my child very well as he was a very troublesome child before coming to school. **"**

Anjali Gupta – Mother of Avi Garg

"'Rudra' has really improved big time while coming to Chalk Tree School. This School clearly scores above others when compared to curriculum, cleanliness & teaching methodology. Five out of five stars to CHALK TREE ★★★★★ **"**
