

## LIEN RESOLUTION

### LIEN NEGOTIATION

Our expert lien negotiation team watches out for our bottom line. Utilizing the ever changing California State laws and regulations to give our clients the maximum savings possible, as medical and providers routinely inflate billing using improper billing codes or just inflating their bills in order to negotiate for an unfair settlement preying on TPA's and carrier reluctance to incur additional litigation costs.

### HEARING REPRESENTATION AND LITIGATION

When the time to go and litigate the matter before the Workers' Compensation Appeals Board, our in-depth knowledge of the idiosyncrasies of individual boards and judges. Our representative bring a unique prospective as we know the judges, lien representatives and have the ability to cut down on unnecessary appearances, once again keeping our eye on your bottom line. We continuously keep abreast of the changing laws and regulations to untangle the confusing litigation process to get your matter expeditiously resolve your matter.

### EXPERT MEDICAL BILL AND PHOTOCOPY BILL REVIEW SERVICE

Our bill review experts come from many backgrounds; legal, claim management and others. Our team provides a comprehensive review system provides a comprehensive review of medical seeking out duplication of charges, incorrect billing codes and other irregularities that providers use to "fluff" up their invoices in order to pay only what is owed if it is owed at all.
