

Hors d'Oeuvres Delivered

Hosting a delicious party is as easy as ordering: We make our appetizers from scratch and ship them directly to your door. Here's how to plan the menu.

1 If your hors d'oeuvres are preceding a dinner, 4 or 5 bites per person are sufficient.

2 A cocktails-only get-together requires more generous amounts – typically 8 to 10 bites per person for every 1 to 1½ hours.

3 For an average-size cocktail party of 8 to 20 guests, plan on having 4 or 5 different hors d'oeuvres on hand.
