COLUMBUS**DESIGN WEEK[S]**

OCTOBER 5–NOVEMBER 7, 2013

2013

PRESENTED BY

THE CENTER
for Architecture and Design

WITH SUPPORT FROM

gcac
Greater Columbus Arts Council

What's is Columbus Design Week[s]?

An exciting month of events connecting the public to Columbus' design ecosystem, promoting local design, and raising the expectation of good design in Columbus.

Participate in the Columbus Design Week[s] signature project

cbus:FOTO

"FOTO" = Friends Of The Overlooked

1 Snap photos of buildings and locations either large or small around Columbus that are overlooked.

2 Upload your photo using **#cbusFOTO** via Instagram or the Design Week[s} website at *www.columbuscfad.org/designweek/cbusFOTO*.

3 Join the community on October 5, 2013 at one of our city's unique overlooked spaces to celebrate the full exhibit of photo submissions!

About The Center for Architecture and Design

We are a non-profit organization aiming to enhance public appreciation for architecture and design. Through lectures, exhibitions, tours, film series, and collaborative programs, the Center celebrates the richness of Columbus' creative culture, explores possibilities for the future of our community, and highlights the contributions of the architecture and design professions in central Ohio.
