Buonissimo!

Exquisite Italian cuisines available only at Sapore.

The only Italian fine dining restaurant in Al Aqah.

Sapore promotion for November (Sapore di Liguria)

The Mediterranean diet takes on touches of genius along the Italian Riviera; Ligurian Families rely on the sea and produce from the steep hillsides: pale golden olive oil, mushrooms, herbs, the ingredients for the sauces they call tocchi (touches), above all basil and garlic for the glorious green pesto.
