

Conversely, the road (white) uniforms feature one thing that no other NHL team uniform does, the use of an off white as the **primary** color. The use of **Barley White** as the primary, sets the Senators apart from the 29 other teams in the league, wether they are the home **or** away team. In keeping with **tradition**, the sleeve and waist stripes have been replicated from the home uniform, as have the shouler patches.
