

# Beloved Carlene

9/26/37 -  
9/17/11

We have been married for 47 years and loved every minute. We spent time talking and helping each other and laughed, and I miss that.

Carlene loved to play with her nieces and nephews, skateboarding and basketball. She played just as hard as them, even at 67 years old. She loved them very much.

She's now with the Angels and has an eye on me! It's still hard for me to get by; she was always there for me. She is happy now with no more cancer and pain.

Carlene is my love, my world and my life – we will miss you and will always remember you.

*Lovingly, David Clough,  
Jonathan Clough and family*
