

Line Concept

Lap of Luxury is the ultimate shop for spoiled pup children & their parents. Each collection is inspired by a current print & pattern trend of the season.

First, choose a category that best describes you and your pup's style: uptown Classic, downtown Trendy or midtown Prep. Then mix & match any of the products offered in any print or pattern you like best. You can customize each piece with the prints of your choosing to best suit your little fuzzy one's personality.
