

Blue Sky Bakery & Café serves more than handmade treats and sandwiches made with the freshest, highest quality ingredients. As a nonprofit organization, we also raise the edible consciousness of our community by providing transitional employment to homeless and at-risk youth.

Social change, powered by your appetite.

When our community comes together, great things can happen. **With just 60 catering orders, Blue Sky Bakery & Café will be able to employ one more youth this year.** And the best part is, you get to enjoy the fruits of their labor... and the scones, sandwiches, and cookies, too. **Place your catering order today and be part of something delicious.**

Thank you for supporting the mission of Blue Sky Bakery & Café. As you enjoy your fresh, delicious sandwich or tasty pastry, you are helping build a stronger community. The staff of our bakery are youths referred to our program by probation officers and social workers for a paid, part-time job in a supportive environment.

During their twelve weeks of employment, they receive on-the-job training in foodservice and learn the “soft skills” that will help them be an excellent employee. With that comes the opportunity to build a work history and references as well as assistance securing permanent, long-term employment. Our staff is paid minimum wage but can receive pay raises for enrolling in GED programs and passing the GED exam. We focus on teaching teamwork, accountability, professional communication, and problem solving — all skills that will help our staff move forward with their lives.

Your purchase or catering order helps members of your community who deserve a chance. So, thanks... from all of us.
