...and **Dream Design Builders** wants to help

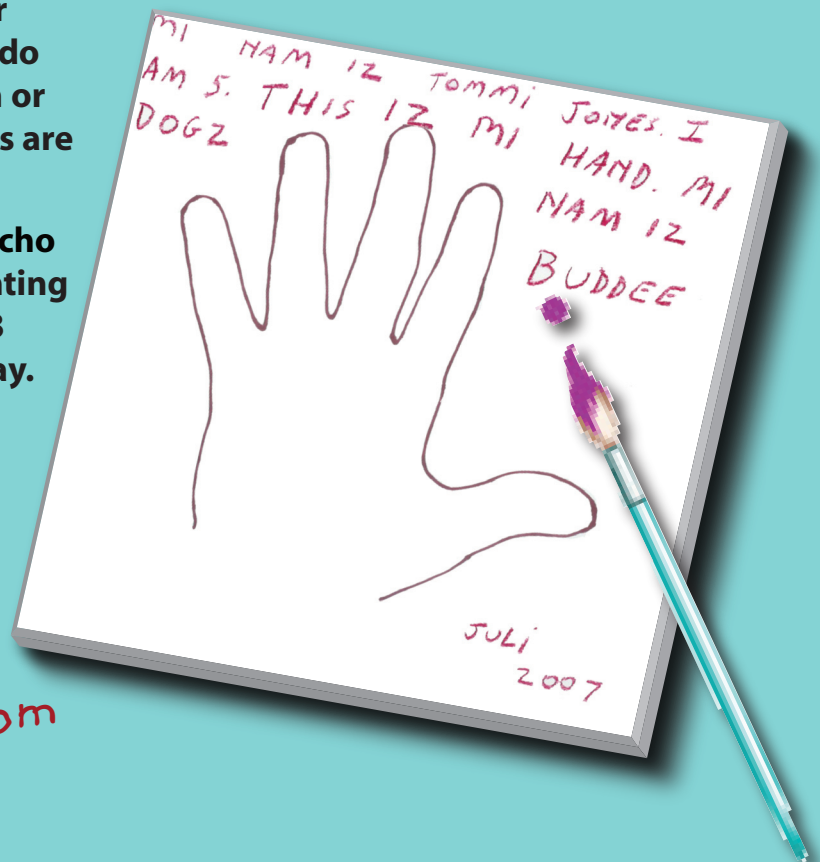

The RB Historical Society is building a permanent home, and **Dream Design Builders**—your RB-based home remodeling contractor—is helping them raise \$600,000! On Saturday, July 14, 2:00 PM to 4:00 PM, we'll be sponsoring a "Tell Your Story to the Future" tile painting day at the Rancho Bernardo Joslyn Center, 18402 West Bernardo Center Drive, San Diego.

Dream Design Builders will pay for the first 50 people who sign up to do a tile (only one free tile per person or family—sorry!) and additional tiles are only \$20 each.

Join us in supporting the new Rancho Bernardo History Museum by painting your own tile and telling future RB residents about your life here today.

Tell your own RB History—leave a lasting legacy!

You can paint your own 4" x 4" tile to tell about your family, a day in your life, or just to say, "Hi!"

Sign up for your own free tile at tilesponsorship@dreamdesignbuilders.com or call us for more information at (858) 674-9818.
