We keep our fees as transparent as possible and do not charge any fees for setup, teardown, security, insurance, or any other miscellaneous fees. We also offer complimentary event planning services, to make your event at Level 10 as unique as possible.

## WINE AND FOOD TASTINGS

Join us for an evening of great wine and music, paired with wonderful culinary creations. Choose one of several different menu selections to fit your event. All tasting events are hosted by our on-premise wine connoisseur who will educate your group about the evening's wine selections and answer any questions your group may have about the vast world of wines.

All wine tastings are held as private events and can be held between the hours of 4PM and 8 PM, any day of the week. There is a per person fee for the event, with a 20 person minimum required.
