

SATINO

Sleek Linear

The glass surfaces and the velvety touch exudes a white satin matte look with depth effect. Aside from the aesthetic looks, the door fronts are also high impact resistant. Maintenance comes with the ease of cleaning, the glass surface is also extremely practical.

The system:
The Nuovo sliding system is integrated with the latest state-of-the-art technology for automated in line sliding mechanism that fit today's modern lifestyle. With a simple tap on the sliding door, or sophisticatedly, with a remote control, the sliding mechanism is activated for a smooth opening. 

CRYSTIANO

Sleek Linear

The first-of-its-kind avant garde kitchen design embellished with Swarovski Elements to create a distinctive kitchen range that is dynamic yet innovative. Luxury crystals are cleverly arranged to form the illuminated pattern of crystals to showcase Swarovski's brilliance of angular cuts. This bold kitchen design combine luxury fashion jewelry into kitchen living space. The high gloss door surface is made with the newly developed scratch resistant technology that allows permanent surface brilliance with low maintenance.

MIKADO

Simply Natural

Naturally simple: solid profiled frames combined with wood centre panels. The surfaces are brushed, stained and lacquered. The design has a clear, consistent design. With its drawers, hinged door units and tall cabinets, it combines with well-organised storage space and intelligent planning convenience.
