## QUALIFICATION HIGHLIGHTS

A detail-oriented designer with a strong knowledge of the principles of design, who is focused on effective ways to problem solve. Highly-motivated with a desire to learn more about the industry from respectable professionals in the surrounding area.

## EXPERIENCE

### MORGAN LINDSAY PHOTOGRAPHY

2011 to Present

Used CSS, HTML, and JAVA Script to develop and create my own code in Adobe Dreamweaver CS5 at [morgancoledesign.com](http://morgancoledesign.com). Successfully branded my own corporate Identity by creating clean, bold, precise designs for my business. Provide customers with professional, high quality photography and print services in the Ohio area.

### BADD BY DESIGN
