

Weirdo.

Do disabled people make you feel uncomfortable?

Do you hope we won't talk to you in the street?

Do you find us strange, different, embarrassing?

Do you think we all have learning difficulties?

Do you think we're incapable of holding down a proper job – that we won't pull our weight?

Do you worry that we'll put off clients, scare off customers?

Do you know who the weirdo is?

IT'S TIME TO GET EQUAL.
