

Your premium financier has turned into a white elephant. They're so big they leave a small insurer like you black and blue with their heavy-handed service. Their inflexible commission structure would leave Mother Theresa browned off. And as for all that red tape, don't let's get you started on that.

Wouldn't you rather be amber with happiness?

For refreshingly different premium finance solutions from a company with a flexible, personal approach, call 0870 524 6800 or go to www.amber.co.uk
