

# Moron.

We're not asking for charity – for a sweet smile,  
a kind word or, God forbid, a pat on the back.

All we ask is that you respect disabled people,  
and give them the same opportunities as you  
give everyone else.

Nothing more. But nothing less.

However if you can't give us this, we have  
just one question to ask:

**Who's the moron?**

**IT'S TIME TO GET EQUAL.**
