The Heritage Harbor Golf Club measures nearly 7,000 yards from the back tees and is one of the more challenging public course layouts in the Tampa Bay area. Four sets of tees have been incorporated into the design, making the course fun for golfers of all skill levels. The swirling winds and strategically located bunkers will play havoc with the players of these finely manicured links. However, the large greens may provide some relief. The premium on this championship course has been placed mainly on the short game. Winding through natural areas and cypress heads, Heritage Harbor Golf Club offers many scenic, unobstructed views. Seven of the 18 holes have no homesites adjacent to the fairways, offering great, uncluttered golf.
