

7138-74.3-137 6801-72.6-132 6402-70.5-128

Designed by Robert Trent Jones, Sr., this extraordinary golf course with large, rolling greens has a true resort feel from start to finish. Beautifully manicured greens and fairways in top condition complement the wide variety of hole designs that range from various links style holes to the tight, tree-lined fairways of holes 3 and 11. New this year, the all-new, state-of-the-art greens offer the fastest and smoothest putting

surfaces in the area. There are 76 large bunkers throughout the course. Water comes into play on virtually every hole on the back nine - less water on the front. The clubhouse overlooks four holes, including the 18th. Come early and enjoy the very nice, state-of-the-art practice facility.

The newly renovated Claw at USF offers a distinct layout that seamlessly winds through moss draped oaks and towering pines of pristine Florida preservation land, absent of any on-course housing. The Claw offers something for every golfer: from testy par 3s to challenging doglegs that require strategically placed shots. Elevated greens and the new Tidwarf putting surface, known for its speed, will test your finesse and shot making ability.
