 5584-67.2-115 5076-69.0-119 4654-67.1-114

This exciting layout, designed by acclaimed Florida architect Chip Powell and located in Sun City Center, is a beautifully manicured par-72 golf course featuring two distinctive nines. The front nine has an open links feel to it with wide fairways and greens that will accept bump-and-run approach shots. The back nine requires more accuracy from tee to green as it meanders through a large conservation area. In fact, water comes into play on every hole on the inward nine. Most fairways are lined with stately pines and ancient oaks. These TifEagle Bermuda grass putting surfaces are state-of-the-art and roll fast and are a pleasure to putt.

Waterlefe GOLF & RIVER CLUB

6908-73.8-141 6427-71.4-136
 5909-69.3-122 5449-65.1-103

Inspired by the backdrop of the Manatee River in Bradenton, Waterlefe Golf & River Club was created as the ultimate golf experience with the perfect combination of beauty and challenge. The course is built along a beautiful section of the Manatee River, complete with wide expanses of pristine marshes. Don't be surprised if on the 15th tee you spot a family of manatees poking noses up for a breath of air. The tee boxes on 17, one of Waterlefe's signature holes, jut majestically into the Manatee River. Waterlefe was designed with a great deal of time, effort and expense going toward protecting and restoring the natural environment that gives the course its unique character. The gently sloped greens with the newest TifEagle Bermuda offer the ultimate in putting. From a lazy start on the par 5 first hole, to the big finish on the island green of the 18th hole, Tee Times USA golfers love Waterlefe!
