Lake Jovita Golf & Country Club is a "must play" course in Florida. Surrounded by rolling hills, this spectacular 36-hole facility is rated as one of the "Top 10 New Upscale Courses" by Golf Digest and is the host of the 2005 & 2006 second-round PGA Tour Q-School. Located an easy 30-minute drive north of Tampa, Lake Jovita is also just 70 miles from Orlando. The par 5, 11th hole of the South Course, features a 94-ft. elevation drop from the tee to the green 559 yards away, the largest natural elevation change on any course in the state. The newer North Course, which opened its second nine this past winter, boasts even more elevation changes than its sister course. Players standing on the second tee box can see for five miles. Lake Jovita offers several stay-and-play packages, as well as daily tee times for those not staying on-site. Visitors can stay at privately owned three-bedroom/two-bath Club Villas overlooking the 18th green. Each Villa provides 1,734 sq. ft. of space, including four queen-size beds and kitchen amenities. A 32,000 sq. ft. clubhouse and a 15-acre practice facility complement the courses. A chipping area, bunkers, a one-acre putting green, and separate space for private lessons make up the practice facility. Guests enjoy the Mediterranean-themed clubhouse perched on a hill with a verandah overlooking the 9th and 18th greens. Other amenities at Lake Jovita Golf and Country Club are state-of-the-art Har-Tru clay tennis courts, fitness center, and a junior Olympic-sized swimming pool.
