Absolutely one of the area's best. Designed by Lloyd Clifton, Westchase winds through acres of lakes, conservation areas and forest. The front nine meander through an impressive pine forest. The back nine, which is demanding on the tee shot, features lakes, wetlands and

cypress. The fairways and greens are framed by strategically placed bunkers, more sparkling lakes and stands of cypress, oak, palmetto and pine. Westchase offers meticulously manicured fairways, large greens, elevated tees and a challenge that will make you want to come back for more. The signature third hole, at 212 yards from the back tee, is a par 3 all-carry over water! Westchase's beautiful, full-service clubhouse offers scenic views overlooking the 9th and 18th greens, a quality pro shop and restaurant serving breakfast, lunch and dinner. Westchase features full-color ParView GPS to make your round even more enjoyable.

At 6,976 yards from the championship tee, Heritage Isles is one of the most demanding public golf courses in the Bay area, challenging even the most seasoned player. The other three tees provide opportunities for players of all skill levels to enjoy this scenic layout cut through the native cypress heads and natural wetlands. While water does come into play on all 18 holes, the premium has been put on the short game. With large, meticulously maintained greens, those players that are handy around the putting surface should be able to shave a few strokes off their score. Come and enjoy the golf course, service-oriented staff, spectacular wildlife and fully equipped golf shop.
