

DON'T HIRE A ZOMBIE

Hiring the wrong team member can be catastrophic.

Forty-one percent of companies estimate that a bad hire cost them more than **\$25,000**. One in four say it cost them over **\$50,000!**

Now you know why we refer to bad hires as The Working Dead. From lost productivity to lost clients (a Zombie has to eat), it doesn't take half a brain to figure out bad hires mean bad business. We've been helping clients dodge Zombies for over 25 years and guarantee 110% that you'll love our Digital Creatives.
