

*Plantation dining -
haute cuisine or island casual.
Every choice is well done.*

Whatever the menu, whatever the venue, there's a table for you at Amelia Island Plantation. Residents say that The Verandah, overlooking Racquet Park, serves the best seafood on the island. The Ocean Grill, meanwhile, provides fine cuisine with a magnificent view of the Atlantic, and is the ideal setting for romantic dining.

More casual restaurants at Amelia Island Plantation – the Beach Club Grill and the Golf Shop Restaurant – offer light fare, snacks and sandwiches, while the Amelia Inn Lobby Lounge and the lively Falcon's Nest are popular watering holes for residents and guests alike. And, the Marché Burette offers breakfast, lunch, and stocks deli items – gourmet meats, cheeses and wines – for all occasions.
