

Even Better Clinical Dark Spot Corrector is now in a new, larger size.

More Even Better Clinical Dark Spot Corrector in a bottle means even better results. This potent serum helps visibly reduce the appearance of dark spots, age spots and traces of past acne. In clinical trials Even Better Clinical Dark Spot Corrector was comparable to a leading prescription ingredient with a 53% improvement in skin tone. Allergy Tested. 100% Fragrance Free. 1.7 oz \$73.00, 1.0 oz. \$49.50.
