

Achieve your goal

HOME FITNESS EQUIPMENT

AirClimber

burns up to
500 calories
per hour

*Quickly tone your abs, arms, bums and thighs,
ready for the summer season.*

*The Air Climber fitness stepper gives you a total body
workout without setting foot inside the gym. Powered by
unique Air Power Technology™ (APT) and with an inbuilt
computer tracking your progress, the Air Climber will have
you turning heads this summer in no time.*
