

# LAURA COROMINA'S PORTFOLIO

LCOROMINA@MIAMIARTSSTUDIO.COM

Hello! My name is Laura, and this is my digital portfolio. I use many different programs to make real my imagination such as Adobe InDesign, Illustrator, and Photoshop. Although I am not an expert on these softwares, I did study and certify in InDesign, Premiere Pro, and Photoshop. As of right now, I am studying for Illustrator and After Effects certifications. I have not mentioned that my current style of work is very colorful and animated. I like making things that will bring a smile to people's faces. I am also currently trying to get better in Motion Graphics, Animation, and Detailed Illustration as that is what has piqued my interest lately. I hope my work will add a pop of color to your day!
