## Multi-State Coverage

Business doesn't stop at state lines. If your company is based in New York and you also do work or have employees in other states, a **NYSIF Multi-State Coverage** policy ensures that your employees are protected so you can focus on running your business with confidence.

### Fast

Our experts will quickly assess your insurance needs and review coverage requirements.

### Easy

Billing for both your in-state and additional state(s)-coverage will be combined on your regular NYSIF monthly statement.

### Reliable

We provide coverage in almost every state across the country.

*Coverage applies in all US states, except states with mandatory state funds (OH, ND, WY, WA) and US territories. Exclusions may apply.*
