***Go Fresh  
& Organic***

Top picks from Signature  
one-stop eco-friendly shop

## ***The Goal***

Trifold brochures have long been a type of material used to advertise brands, products, and services.

The best way to maximize its use is to introduce what the brand has to offer with a brief or about section like this.

Make sure to keep your introduction short but interesting enough to readers.

Fresh and organic choices make all the difference in the world
