PARTS OF SPEECH

Targets standards in this area:
• Using parts of speech correctly, including forming irregular words, when writing or speaking

A quick and engaging game to practice parts of speech! Players take turns spinning the spinner to answer questions in six different categories—from adjectives and adverbs to nouns and conjunctions. Students collect a colored chip for each category as they answer correctly, and the first to collect all six chips wins the game!

Includes

- Game board
- 48 question cards
- 48 plastic chips
- 4 tracker cards
- 2 answer cards
- Activity guide
