Subject line: Do you really want to waste another 3 months?

Hi Sarah,

3 whole months. It would be that long until you unlock the secret behind unlimited ideas.

Do you really want to wait for 3 more months?

Imagine what you can do in 3 months.

You can find 10 good ideas.

You can write outlines for 4 short pieces.

You can finish writing at least 2 pieces.

You might even publish a couple of flash pieces.

Still, if you want to miss out on all these possibilities, it's okay.

But if you want to learn the tricks to find useful ideas, then this is the last chance to sign up for IdeaSpark.

Because we're closing our doors at 12 pm tonight. And they will open again after 3 months.

Most of my students start working on their first piece within a few weeks of joining.

And you can too, Sarah.

But you need to sign up fast.

If you still have any doubts or questions, we will be online two hours before the doors close. Join us for the live chat or hit reply.

To your success.

-J
