The Truth is Out There

The line between fact and fiction can be fuzzy. This summer, we're celebrating the joy of exploring what's "real," while playing with make-believe mythologies, sci-fi, and fantasy. Join us as we embark on a joy-filled journey of discovery, critical thinking, and the thrill of uncovering the truth, one story at a time.

KICKOFF EVENT
MONDAY, JUNE 9

Drop by either HDL location any time on Monday to start the Summer Reading Challenge and create your own nature journal. We'll provide prompts and supplies to get you started on your journey this summer. You'll be ready to explore the parks, document your discoveries, and maybe even capture proof of cryptids.
