

New Age Pet

Please visit us at Global Pet Expo in booth # 3430

New Age Pet® is the leading manufacturer of pet, urban farming and garden products. Our process starts with **ECOFLEX**®, a proprietary composite blend of new and recycled polymers and reclaimed wood fiber byproducts. Combining all the benefits of wood and plastic into one amazing material. Our products are carefully crafted and inspected, bringing an unmatched level of quality, elegance and style into pet-friendly homes and flourishing gardens around the world.

Here are a few **NEW** products, along with more featured at the show!

March 20-22 | Orlando, FL
