We are happy to announce that we are now a proud partner of IBM in taking education to the next level. IBM is one of the selected companies invited to enlist Skills academy courses on the NEAT portal.

48+

EdTech Companies
signed an MoU

2500

product
evaluations

4

rounds of
evaluations

Be a part of the virtual event on March 10, 2021, to hear from the IBM experts on how you can leverage IBM's Skills Academy Courses listed on the AICTE NEAT portal for your college.

Listen to them explain about the certified courses on:

Design
Thinking

Data
Science

Cloud
Computing

Artificial
Intelligence

Quantum

IoT

Help your students to aspire for more.
