

Even if you forget everything you studied in your engineering days, you'll never forget the fun you had.

What's better than reminiscing about our Engineering days?

Reminiscing about it together. Even if they were difficult years, we have to admit that they were also some of the best years of our life. Let's relive the fun and vibrant days by remembering them together.

Step 1

Share your special, funny or sweet anecdotes that you remember of your engineering days. Record a 2-minute video

Step 2
Send it to us by uploading it on the box folder mentioned

Step 3

We will get back to you with the edited video and Instructions, which you can share with your friends and also tag your engineering classmates and other IBMers, asking them to share their story and keep the memories trail going.

Happy reminiscing!
