

# ON YOUR JOURNEY TO CLOUD?

## TAKE THE OPEN PATH.

### IBM Safaricom Roundtable

Friday, 23<sup>rd</sup> August, 2019

XX:XX - XX:XX

Sankara Hotel, Nairobi, Kenya

[Register now](#)

To stay competitive, organisations today need IT solutions that are flexible, agile, easy to manage and scalable to meet changing business needs. A cloud-based environment built around open source technologies appears to be the best way forward.

Attend the roundtable to discover how IBM can help Safaricom manage a multicloud environment and accelerate open source initiatives. [The agenda will cover:](#)

IBM Technology  
Support Services –  
Open Source

Multicloud  
Management –  
1. How to integrate  
2. How to manage

IBM and  
Vodafone UK –  
Case Study
