FROM THE HEAD OF SCHOOL

Dear MRCA supporters,

Thank you so much for your generous support of the Eagles OneFund, our school's annual giving opportunity! This year has presented us with unique challenges, and we couldn't have met them without the help of our donors. Through your loyal support, we have continued to provide students a safe, secure, and healthy environment, despite the world's uncertainty.

We are so very grateful for the way our MRCA community has given to bring about amazing improvements for our facilities, technology, curriculum, financial assistance, professional development, and safety. We are excited about the future, and with your help, we will build on these successes. It is a joy to partner with you to equip our students to become ambassadors for Christ!

OUR MISSION

The mission of Mitchell Road Christian Academy is to partner with Christian parents to equip children to become ambassadors for Christ through academic excellence and an integrated biblical worldview.

WHAT IS THE EAGLES ONEFUND?

Each year, our school identifies the need to make improvements beyond what our normal budget can cover. Through giving to the Eagles OneFund, our school's annual fund, our donors help us bridge this gap and reach our goals. Thanks to your generosity, we can better fulfill our mission.

“

We have no words to express our heartfelt gratitude to MRCA for helping us afford for our granddaughter to attend these past five years. The truths she has learned, I know beyond a shadow of a doubt, are impacting eternity for her every single day. MRCA has been a blessing to our entire family and we are humbled and grateful to be a part of it.

WHAT WE HAVE ACCOMPLISHED

At MRCA, we rejoice as we consider God's faithfulness and provision for our school over the past three years. Since MRCA established the Eagles OneFund in 2017, we have:

Upgraded our classrooms and technology

Purchased new curriculum resources

Provided teachers with professional development and improved compensation

Purchased safety and sanitation equipment for the safe reopening of our school after the COVID-19 shutdown

Provided assistance to families who recognize the eternal value of a strong Christian education but cannot otherwise afford it

Supported our families who experienced challenges and unexpected changes in their income

WHERE WE ARE GOING

Although the 2019-2020 school year presented MRCA with unexpected challenges, the Eagles OneFund allowed us to overcome them – praise the Lord! For the 2020-2021 school year, our areas of focus are:

- 1** **Advancing teachers** through professional development, classroom resources, and curricular enhancement
- 2** **Supporting families** in need through financial assistance and **building diversity** with grant opportunities
- 3** **Maintaining a safe and secure environment** for our students, families, and staff
- 4** **Increasing technology tools** for teachers and students

These essential areas of focus will help MRCA continue to provide quality Christian education to our students and their families.

LEVELS OF FUNDING

MRCA has set an annual goal that will allow us to deliver academic, spiritual, and physical expansion and excellence for the 2020-2021 school year. We have incredible potential for courageous giving and know these goals are attainable based on previous years of support. Therefore, we have established three tiers of financial goals that, if reached, will have a tremendous impact on MRCA.

Tier 1 \$75,000

- Professional development
- Need-based scholarships
- Diversity initiative

Tier 2 \$100,000

- More classroom and curricular resources for students
- Safety measures and improvements
- Technology tools for teachers

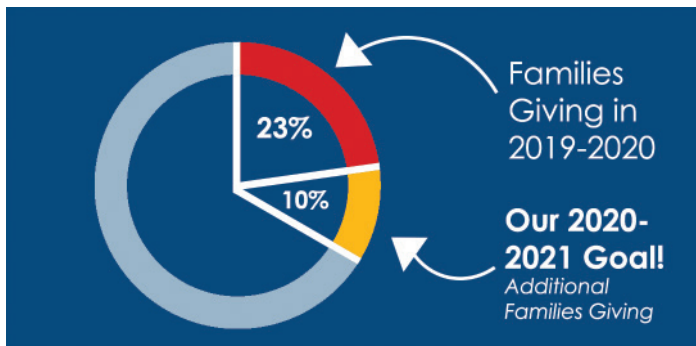

Tier 3 \$125,000

- Upgraded security measures around campus, including intercom and door-locking systems
- Improved school transportation
- Specialized video technology
