Focus on the Future

From the
Head of School

Dear MRCA Supporters,

Thank you so much for your generous support of our annual giving opportunity, the Eagles OneFund! We are very grateful for the way our MRCA community has given over the past few years to bring about amazing improvements for our students and teachers through enhanced curriculum,

facilities, technology, financial assistance, and professional development. Now it is time to *focus on the future*, and with your help, we will continue to build upon these past successes. Through your cheerful giving, God is able to bless MRCA abundantly, “so that in all things at all times, having all that we need, we will be able to abound in every good work” (2 Cor. 9:3). It is a joy to partner with you to equip our students to become ambassadors for Christ!

OUR MISSION

The mission of Mitchell Road Christian Academy is to partner with Christian parents to equip children to become ambassadors for Christ through academic excellence and an integrated biblical worldview.

What is the *Eagles OneFund?*

Each year, our school identifies the need to make improvements beyond what our normal budget can cover. Through giving to the Eagles OneFund, our school's annual fund, our donors help us bridge this gap and reach our goals. Since its founding in 2017, we have:

- ✓ Improved teacher compensation
- ✓ Provided teachers with additional professional development
- ✓ Provided financial assistance to MRCA families
- ✓ Purchased safety and sanitation equipment
- ✓ Upgraded facilities and transportation
- ✓ Increased campus security
- ✓ Purchased new curriculum resources
- ✓ Enhanced technology
- ✓ Updated the field scoreboard

More about the

Biblical Worldview Expansion

Our biblical worldview program is the heart of our mission as a school. Camille Carter's 2020-2021 eighth grade graduation speech mentioned how MRCA's biblical worldview impacted her life. She said, "Most people are only thinking about what is right in front of them rather than asking themselves how they can spiritually grow. The more that you ask yourself hard questions the easier it becomes to have

a strong mind — to make a conscious effort to strengthen your mind and keep your thoughts on God instead of the world."

Ashley Hughey, MRCA graduate and current MRCA Bible teacher, reflected on the biblical worldview instruction she received and now imparts to our students:

"It was in MRCA's Bible classes where I really started to see the Bible as one unified story. Those classes also gave me the foundation to be able to think critically about my faith, to ask 'why' and not just 'what' so I could have a deeper understanding of what I was learning. As a teacher, it's exciting to watch that depth exhibited in middle school classes and even younger grades, too."

Your support of the Eagles OneFund will help us expand our biblical worldview program. Our prayer is for our alumni and their families to be shining lights, holding out the word of life to those who are in darkness. (Phil. 2:15-16)
