Heavy-duty aerosol spray efficiently cleans your HVAC coils for smoother operation and long-lasting use

**Air Conditioner
COIL CLEANER SPRAY**

Removes Unpleasant Odors

Boosts HVAC Performance

Eco-Friendly

Self-Rinsing Design for Indoor Evaporator Coils

Removes Unpleasant Odors

Coil cleaner removes dirt and contaminants from AC coils for a fresh smell and improved indoor air quality environment

ECO-Friendly

Meets and exceeds the industry's standard for "green" product for an environmentally-friendly coil cleaning solution

Boosts HVAC Performance

Returns your AC coils to their original state for enhanced performance with a self-expanding, biodegradable formula

Self-Rinsing Design

Does not need to be rinsed off of indoor evaporator coils for **hassle-free cleaning**. Outdoor condenser coils can simply be hosed off with water.

Clears **condensate drains** with a **SWOOSH® GUN**!

Environmentally Friendly

Lightweight

Portable

CO2 cartridges

Insert Cartridge & Screw Tightly

Release Safety Catch

Release Trigger
