

H-Crate and H-Crate Jr.

- Solo design project, best selling fishing accessory including soft good accessory cover
- Crate had to be collapsible and easy to assemble for shipping and travelling fisherman
- Integrated rod holders with bungee rod retainer system prevents loss in case of capsizing
- Integrated H-Rails allow quick mounting of accessories and act as carry handles
- Molded in holes and nut spaces allow for adding more rod holders without drilling
- Cover accessory installs easily and doesn't have to be removed to collapse crate for travel
