

Louisville Water

## OUR WATER IS HIGH-QUALITY AND AWARD-WINNING, JUST LIKE OUR SUPPLIERS.

**If you are a local  
small business, we  
want to work with you.**

Louisville Water is looking for qualified local small businesses to join our Small Business Equity (SBE) program. SBE program members enjoy these benefits:

- Only Louisville Water SBE program members can bid on certain Louisville Water projects.
- The opportunity to work with Louisville Water on projects that are less than \$30,000 without going through a bidding process.
- The opportunity to participate in large-scale projects. SBE program members may participate in all Louisville Water bid opportunities where they meet the bid requirements.
- SBE program members qualify for local preference.
